

APPLICATION FOR INITIATIVE OR REFERENDUM PETITION SERIAL NUMBER

Secretary of State
1700 W. Washington Street, 7th Floor
Phoenix, AZ 85007

The undersigned intends to circulate and file an **INITIATIVE** or a **REFERENDUM** (circle the appropriate word) petition and hereby makes application for the issuance of an official serial number to be printed in the lower right-hand corner of each side of each signature sheet of such petition. Pursuant to Arizona Revised Statutes § 19-111, attached hereto is the full text, in no less than eight point type, of the **MEASURE** or **CONSTITUTIONAL AMENDMENT** (circle appropriate word) intended to be **INITIATED** or **REFERRED** (circle appropriate word) at the next general election.

SUMMARY: A description of no more than one hundred words of the principal provisions of the proposed law, constitutional amendment or measure that will appear in no less than eight point type on the face of each petition signature sheet to be circulated.

This initiative measure preserves the balance between the rights of individuals and the need for effective law enforcement. This initiative prohibits the issuance or filing of traffic related citations for alleged violations that are detected through the use of photo radar. This initiative keeps the enforcement of our laws in the hands of trained police officers who are authorized by the people, protects Arizona citizens from abuses that accompany the outsourcing of law enforcement to private, for-profit corporations and ensures that the purpose of law enforcement remains to serve and protect and not to generate revenue for governments.

END PHOTO RADAR INITIATIVE

2009 JAN 12 PM 1:34

AN INITIATIVE MEASURE

Be it enacted by the People of Arizona:

Section 28-1605, is proposed to be added as follows if approved by the voters and on proclamation of the Governor:

Section 28-1605. Use of Photo Enforcement Systems.

A. No traffic complaint, notice of violation or other legal form of civil or criminal charge or citation shall be issued or filed in the state of Arizona for an alleged violation of this title or of any other state, county or municipal law relating to the operation of a motor vehicle if the alleged violation was detected through the use of a Photo Enforcement System, as defined in subsection B of this section.

B. For purposes of this section, "Photo Enforcement System" means a device or system consisting of a radar unit or sensor linked to a (i) camera or other recording device that produces or is capable of producing one or more photographs, microphotographs, videotapes or digital or other recorded images of a vehicle's license plate or its operator or (ii) device that is capable of reading a motor vehicle's license plate or otherwise identifying a motor vehicle.
